

The Letter of Intent

Between

The Ministry of Science, Education and Sports of the Republic of Croatia

And

The Japan Society for the Promotion of Science

The Ministry of Science, Education and Sports of the Republic of Croatia and the Japan Society for the Promotion of Science,

- Acknowledging the importance of developing the premises of scientific and technological cooperation between the Croatian and Japanese scientists, and
- Wishing to establish a further development of cooperation between research communities of both countries, have decided and agreed the following

The National Foundation for Science, Higher Education and Technological Development of the Republic of Croatia and the Japan Society for the Promotion of Science (JSPS) will further define operational ways of cooperation.

Done and signed in duplicate in English in Tokyo on March 7, 2006 both being equally authentic.

Dragan Primorac
