THE EU RESEARCH & INNOVATION
PROGRAMME 2021 - 2027

#HorizonEU

Measures supporting participation in Union programmes for research and innovation

- Establishment of intersectoral group for strategic support and collaboration on national level
- Guidelines for the national support system
- Continuation of financial incentives for activities of Horizon Europe, EIT, Euratom and Space Programme aiming at:

- better quality of proposals
- increasing excellence and continuing with the research work
- increasing participation
- empowering operational and human capacities
- enabling synergies with other programmes and NGEU
- preparing and collaborating in area of space and space technology

Incentives directed towards better application preparation, projects deemed excellent but without FP funding and national contribution for projects within partnerships.

Thank you for your attention!
