HEI and recognition procedures

HEI (and other institutions of learning) are legal authorities in procedures of recognition of foreign qualifications as stipulated by the Recognition Act Article 11.

Procedures are conducted in close relation to the selection of applicants for study and the entry requirements to study respective programmes

Applicants with foreign entry qualifications for study at any HEI in Slovenia are liable to recognition procedures, whereby the foreign entry qualifications are measured against the criteria in the Act on recognition and recognised as fulfilling entry requirements of a specific study programme of the applicants choice.

THE QUALIFICATIONS ARE CONSIDERED INDIVIDUALLY AND DECISIONS ISSUED TO CANDIDATES RESPECTIVELY.
